MULTI-FUNCTION Single-Pass Machines

With up to four working units, these all-in-one versatile machines get the job done in a single pass.

MODEL 1375M-DM
13" DRUM DISC MACHINE

1000 SERIES

A 1000 Series Apex Machine is right at home in a job shop environment where the typical day-to-day use can vary. These machines deliver great value so they won't break the bank if unused for a few days, but can easily handle heavy loads and large jobs when they come in.

OPTIONS:

- ✓ Wet or Dry Configurations

Working widths: 13", 19", 25", 37"

Shifts per day: 0.5 to 1.5

MODEL 2037M-DSSD
37" DRUM DISC DISC DRUM MACHINE

2000 SERIES

The 2000 series is our most popular and capable machine line, with many happy customers both big and small. Not only are these machines built bigger and heavier, but they also include more standard features for faster operations.

OPTIONS:

- ✓ Wet or Dry Configurations
- ✓ Top and Bottom Configurations

Working widths: 13", 19", 37", 52"

Shifts per day: 1 to 2.5

MODEL 3052MW-DDBB
52" WET DRUM DRUM BARREL BARREL MACHINE

3000 SERIES

For the highest production operations, look no further. Each 3000 Series Apex Machine is spec'd around your needs and built just for you! Every part of the machine is bigger and heavier to handle years of high production operations in facilities running multiple shifts per day.

OPTIONS:

- ✓ Wet or Dry Configurations
- ✓ Top and Bottom Configurations
- ✓ Fixed Line Height

Working widths: 37", 52", 64"

Shifts per day: 2 to 3
